You can book a routine appointment by telephone or calling into the practice, or by registering for online services and booking your appointment online. Appointments are available 6 weeks in advance to book.

You can express a preference to see a particular clinician and we will try to comply with your request. However due to availability of doctors this may not always be possible.

URGENT APPOINTMENTS

The practice offers urgent appointments with both the GP or the Advanced Nurse Practitioner, which are bookable on the day.

ARRIVING LATE FOR AN APPOINTMENT

Please ensure that you arrive on time for your appointment or you may be asked to re-book.

CANCELLING APPOINTMENTS

Please notify the practice as soon as possible if you cannot attend your appointment, so that it can be offered to another patient.

HOME VISITS

If you require a home visit from a doctor, please inform the surgery **before 11.00am**. Home visits should only be requested when the patient is too ill to attend the practice. The GP or nurse may phone you first to assess the problem before visiting.
